

Info2Go

MONTHLY WEBINARS

<http://libraries.idaho.gov/page/info2go>

Each month, the ICfL offers a new learning opportunity on a current hot topic through its Info2Go webinars.

All webinars are archived for viewing on the go and at the convenience of the learner.

ABOUT US

The Idaho Commission for Libraries (ICfL) assists the more than 850 public, school, academic, and special libraries in Idaho to better serve their communities through: statewide programming and resources, like Read to Me and Libraries Linking Idaho (LiLI); consulting; continuing education; partnerships; and aid to underserved populations, such as the visually impaired through the Talking Book Service.

CONTINUING EDUCATION

Professional

DEVELOPMENT

Assists Idaho libraries to build the capacity to better serve their communities.

ICfL's Continuing Education Opportunities

ABLE

ABLE COURSES

The Alternative Basic Library Education (ABLE) Program provides free, online training courses and information for staff with no formal library education.

Continuing Education (CE) Grants

CE grants support first-time conference attendance, group training, library science courses, and leadership development.

Library Learning Online

Library Learning Online offers self-paced learning to expand the user's knowledge and skills related to current library topics, such as early childhood services, teen programs, merchandising, and much more.

Online Training Opportunities

Through agreements with organizations and vendors, the ICfL makes online training, classes, and webinars available to library staff for free or at a reduced cost.

The Collection: e-books for Idaho library staff

A wide selection of e-books are available in the collection.
