Important Dates

Grant Period: Date grant was accepted – May 31, 2024

Final Report Due: May 31, 2024

Program Goals

- Strengthen the role of libraries as community educators addressing learning loss by implementing high-quality, evidence-based out-of-school learning programs.
- Build the institutional capacity of libraries by increasing staff participation in training and professional development opportunities focused on out-of-school learning best practices.
- Address the academic, social, and emotional needs of Idaho's K-12 students facing learning loss due to the Covid-19 pandemic, with special emphasis on the disproportionate impact on underrepresented student subgroups.

Grant Requirements Checklist

- Prepare and conduct high-quality, research-based, out-of-school learning programs at the library or through outreach events. Keep track of the types of programs that you do and attendance.
- Read the Building Blocks of Out-of-School Time Quality Guide published by the Idaho Out-of-School Network (ION) at <https://idahooutofschool.org/buildingblockresources/>. Select **one** building blocks to focus on.
- Attend or watch at least one webinar on the selected building blocks:
 - Go to the ION Webinars webpage (it's under the Training tab on their site): <https://idahooutofschool.org/webinars/>
 - Scroll to the bottom of the page to the section on Past ION Web Workshops
 - Click on the 2020 tab
 - Find your Building Block and click on it to view the webinar
- Complete a continuous quality improvement plan for your building blocks. Templates are available on the ION website at <https://idahooutofschool.org/buildingblockresources/>.
- Complete a professional development plan for your building blocks. Templates are available on the ION website at <https://idahooutofschool.org/buildingblockresources/>.

- Conduct a self-assessment summary for the selected building block for your building blocks. Templates are available on the ION website at <https://idahoooutofschool.org/buildingblockresources/>.
- Watch a webinar created by the Utah Education Policy Center on data collection and storytelling (webinar link coming soon!)
- Make reasonable efforts to address the needs of student groups disproportionality affected by the Covid-19 pandemic when conducting grant activities, including those from underserved racial and ethnic groups, children from low-income families, children with disabilities, English learners, migrant students, children experiencing homelessness, and youth in foster care.
- Implement public health protocols during programming to maintain the health and safety of program participants and staff.
- Submit a final report by May 31, 2024.

Financial Report

Libraries and schools receiving ESSER grants from the Idaho Commission for Libraries (ICfL) are required to submit this financial report to document grant spending. Your expenditure documentation must total or exceed your full grant award amount. **Unused grant funds must be spent immediately or returned to the ICfL.** If you have questions about eligible or ineligible expenses, documentation requirements, or need to obtain your original grant budget please email libgrants@libraries.idaho.gov.

Allowable Expenditures. A grantee may only use program funds for allowable costs, as defined in the federal grant funds Uniform Guidance (2 C.F.R. Part 200), which includes the requirement that costs be reasonable and necessary for the accomplishment of program objectives.

The following is an abbreviated list of allowable grant expenses. It is not intended to be exhaustive or exclusive. Applicants should contact the ICfL if they are unsure if their proposed idea/expenditure is allowable.

1. Compensation including salaries and wages for staff involved in planning, preparing for, and providing learning and enrichment programs. This is intended to support the library with additional salary funds necessary to expand services or complete project objectives, and not replace existing salaries.
2. Materials and supplies for learning and enrichment programs including technology and assistive technology devices.
3. Materials and supplies such as Personal Protective Equipment (PPE), cleaning, and sanitizing supplies necessary for safely conducting learning activities.
4. Training and education costs for staff, including related travel expenses. Costs must be directly related to the purpose and successful fulfillment of this grant.
5. Professional and consultant services such as those for translation, tutoring, guest speakers, or community partner programming.
6. Services to increase learning or make learning opportunities more accessible such as those used for technological connectivity and subscriptions. Grant funds may only be used to pay for services provided during the official grant period.
7. Advertising or publicity specifically related to the grant for (1) program outreach specific to the grant such as publishing dates and times of activities, (2) recruitment of personnel to carry out the grant; (3) procurement of goods or services to implement the grant.

Non-Allowable Expenditures. The following is an abbreviated list of non-allowable grant expenses. It is not intended to be exhaustive or exclusive. Applicants should contact the ICfL if they are unsure if a cost is allowable. The following items are not allowable grant expenses:

1. Food and beverages. However, if a partner organization provides food, or the purchase of food is funded through another source; the grantee may use staff time paid for with grant funds to prepare or distribute the food to participants. Food is allowable if used primarily as a supply in a learning activity.
2. Capital expenditures related to the purchase of real property, buildings, or motor vehicles.
3. Construction expenditures related to the improvement or expansion of buildings and facilities.

4. Advertising or publicity not related directly to the programs carried out through the grant.
5. Costs of promotional items and memorabilia, including models, gifts, and souvenirs.
