Our Opportunities

At a Glance

Create a new account in our Grants Portal to apply for any Idaho STEM AC opportunity; grant funding, professional development training, travel reimbursements, competitions, awards, etc.

For questions regarding funding opportunities, please contact Crispin.Gravatt@stem.idaho.gov.

Your district may have funds to pay your registration fee to attend STEM AC PD opportunities. [Learn more about Title 4 funding here](#) and talk to your local administrator for guidance.

All dates and program offerings are subject to change throughout the year.
