

Good Night **Glowing** CUBE

Follow the instructions to make a cube. Every night before saying "good night", toss the cube to ask each other a question.

- 1** Print page 2 or 3 (you can print both to make two cubes). Cut on the dotted lines.

- 2** Fold on the solid black lines to make a crease.

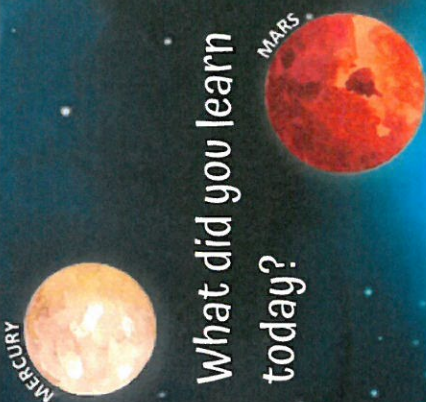

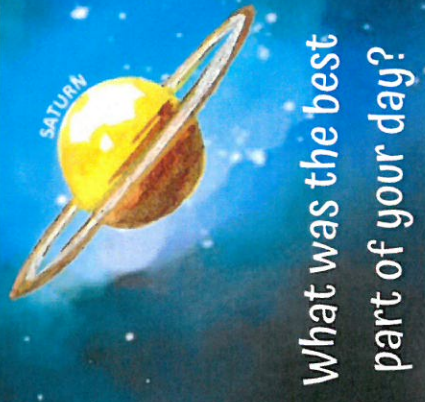

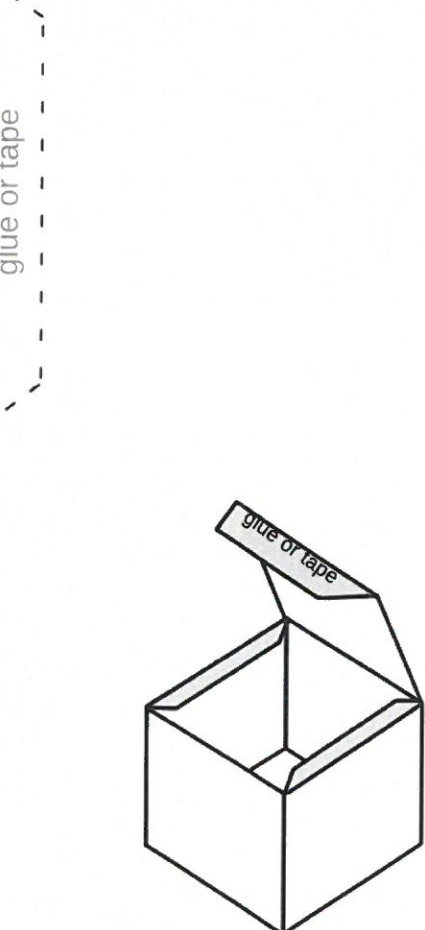

- 3** Assemble into a cube by gluing or taping the sides together along the tabs. Do not glue final flap if you want to do step 4.

- 4** Add a LED light, finger light or glow stick (do NOT use a candle) to have a glowing effect! Poke some small pin sized holes or "stars" for extra fun.
