

Kindergarten Readiness Grant

Application 2019-2020

(Application Deadline: August 23, 2019)

The Idaho Commission for Libraries (ICfL) is offering a grant to build the capacity of Idaho's public libraries to better prepare children to be successful in school. The Kindergarten Readiness grant will provide state funding to help public libraries partner with their local school districts and other community partners to reach children and their families before they enter school. Libraries play an important role in early childhood success through the expertise of trained librarians, early literacy programs, books, and digital tools that many families cannot afford on their own. Children who start school behind rarely catch up with their peers without costly direct reading intervention. Children who have been exposed to early literacy practices before they enter school are more likely to become successful readers throughout their years of schooling, and especially by the critical third-grade year.

The program has three primary goals:

- 1) Ensure that more Idaho four-year-olds and their families have public library cards to gain access to the tools and resources needed to help children succeed in school.
- 2) Increase the amount of early literacy activities done in the homes of four-year-olds across the state.
- 3) Increase the number of successful public library, school, and community partnerships that increase third-grade reading proficiency by focusing on pre-kindergarten experiences.

Grant Eligibility

Only Idaho public libraries may apply. Applications will be ranked by the applicants' responses to the weighted grant application questions and include: the needs of the community, the strength of the partnerships and commitment to carry out the grant plan, the initial plan to reach four-year-olds in the library's service area, ability to measure the project's success/impact, and budget description. The ranking committee may also take into consideration the geographical distribution across the state.

Libraries that received a Kindergarten Readiness grant in 2018-2019 are eligible to re-apply for up to half the funds awarded previously. Previously-funded libraries will fill out a separate application; see <https://libraries.idaho.gov/rtm/kinder-grant/> for application packet.

Grant Requirements

If your library is awarded grant funds, the following requirements will need to be met during the grant period (September 15, 2019 – May 30, 2020):

- Library staff and partners will be required to attend a webinar to review grant requirements and share information about your plans with other grant recipients. Dates, locations, and other details for the training are to be determined. If you can't attend the live webinar, viewing the recorded version will be required. An ICfL consultant will also be assigned to provide assistance and technical support throughout the grant cycle.
- Grantee will complete both an interim grant report (due January 15, 2020) and a final grant report (due May 30, 2020). Interim and final reports will include a summary report of grant expenditures and feedback on what has been accomplished with grant funds.
- Grant funds can be spent on:
 - Programs focused on kindergarten readiness for four-year-olds that provide blended learning opportunities (i.e. time to socialize with peers, hands-on learning opportunities, and introductions to digital learning tools)
 - Outreach events; taking early literacy programming to where young children and their families gather
 - Consumable educational materials for families to use at home to build early learning skills
 - Educational materials that can be checked out for home or daycare use, to build early learning skills
 - Devices and mobile hot spots for families to check out, in order to access early learning resources externally
 - Dedicated children's computers for the library to facilitate early learning resources internally
 - Waiving overdue fines for children (not to exceed 25% of grant award)
 - Non-resident library card fees
 - Library card materials
 - Public Relations materials
 - Personnel, especially native Spanish-speakers, for programs and outreach
 - Parent and family events (noting that food is not an allowable expense)
 - Summer reading/out-of-school reading support
 - Community audits/needs assessment or surveying parents of preschoolers
 - Translation of materials/signage into other languages
 - Other materials and/or services that will support your community plan to increase early literacy

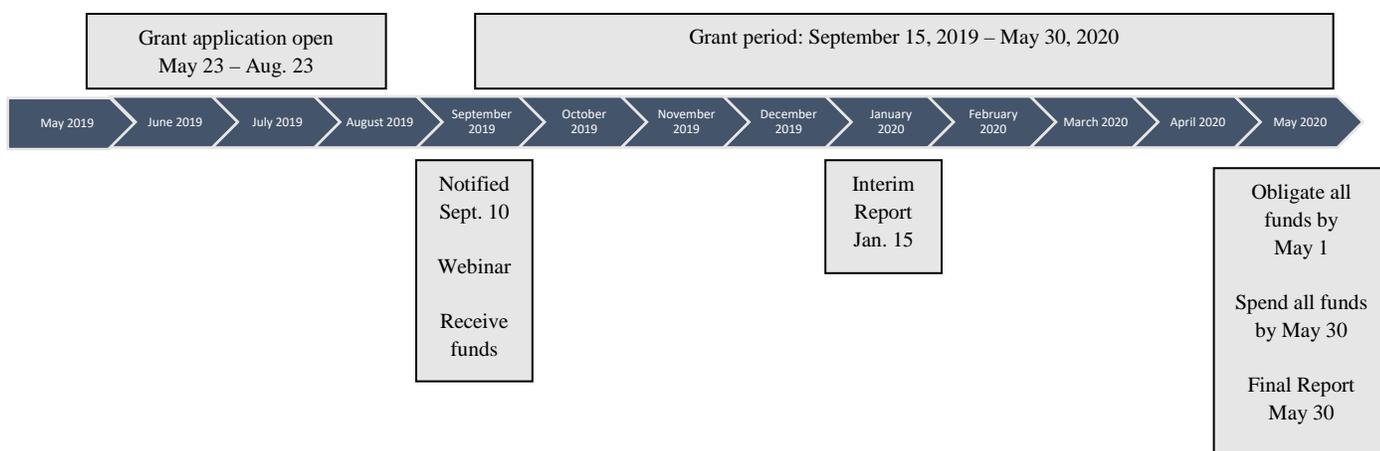

(For a list of what grant funds cannot be spent on, please see the budget restrictions listed in Question #8 of the application.)

A second year of grant funds may be offered the following fiscal year to support Kindergarten readiness efforts. Future grants will depend on funding availability.

_____ \$2,500 _____ \$5,000 _____ \$7,500 _____ \$10,000

II. Partner Information

Partner #1 (School/organization): _____

Contact name & email _____

Partner #2 (School/organization): _____

Contact name & email _____

Partner #3 (School/organization): _____

Contact name & email _____

There will be space for up to five partners' information on the online application

III. Narrative Section

1. **(Up to 20 pts) Needs Statement:** *This is a heavily weighted question in the grant—please provide answers to each of the subsections of this question.*

- a. Please describe your community's population and indicate the early literacy needs (i.e. challenges, obstacles, etc.). Include supporting statistics such as Idaho Reading Indicator scores for incoming kindergarten students, gaps in library service, barriers to library use, estimated pre-K population size, free and reduced

lunch rates for school or school districts, availability of quality preschool experiences, barriers of any kind to Kindergarten readiness in your community, etc.

- b. Tell us how receiving this grant will help address those needs.
2. **(Up to 20 pts) Project Description:** *The more details you provide, the better understanding we will have of your library-led efforts to increase the number of children in your community who are ready for kindergarten. Address all parts of the question.*

Please describe your project. Include the outcomes you wish to achieve, the various components of the project, how many children/families you estimate will benefit from the grant funds, how staff time will be spent, and an overview of how the funds will be spent (detailed budget information is requested in Question #8).

3. **(Up to 15 points) Collaboration with Partners:** *Answer both parts of this question.*
 - a. (5 points) List each partner and explain their role in your project.
 - b. (10 points) Describe your existing partnership with your school district and/or other community partners in regard to efforts to increase the number of students reading on grade level. How often do you meet to collaborate, how long have you been actively partnering, what have you accomplished so far? What resources will your partner(s) contribute to the project? If you have just begun an active partnership with the school district and/or a community organization(s), please state what steps you have taken to form the partnership(s) thus far and the next steps you will take to further strengthen the partnership(s) during the grant period.
 - c. Upload a letter of commitment from each partner, in which they explain their role in your project and what resources they will contribute.
4. **(Up to 10 pts)** Describe your plans to get library cards and resources to four-year-olds who are not currently using library services. How will you use the grant funds to help ensure more children are able to access the library's services and resources?
5. **(Up to 5 pts)** What methods will you use to evaluate the success of your project?
6. **(Up to 5 pts)** What resources does the public library have to enhance this program? How will the program be sustained beyond the grant period?

7. Please complete the following table:

<ul style="list-style-type: none"> • Educational materials for checkout, to promote development of early learning skills 		

8. (Up to 25 pts) Budget:

Please note the following budget restrictions:

- If spending grant funds on personnel, grant funds cannot be used to fulfill regular institution salary costs. Personnel will be required to document time spent working on the grant project to verify that costs are true, accurate and not double-billed to the grant and normal operational costs.
- If spending grant funds to waive the overdue fines for children, no more than 25% of the grant funds can be spent for this purpose.
- Grant funds cannot be spent on construction or other capital improvements.
- Grant funds cannot be spent on food or snacks.
- During the grant period, if grantee determines that significant changes need to be made to the budget and spending within the budget categories, grantee will need to contact ICfL with a newly proposed budget. (A significant change to the budget is defined as 10% of the grant total being moved from one category to another – i.e. If grant is \$10,000, a \$1,000 change from one budget category to another would be considered significant.) Significant budget changes must be reviewed and approved by ICfL.

Note: Please include details in your budget, such as estimated cost per item, examples of items, personnel hours and pay rate... If your budget costs or calculations are unclear it is difficult to determine how sound your budget is. Budgets with clear explanations will score more points than vague categories or descriptions.

Examples: The first example is detailed and explains exactly how the sum of \$600 was determined. The second example is vague, and we are left with many questions.

<p>Contractual</p> <p>Outreach staff, bilingual educators, translation services, and other services not performed by library staff</p>	<p>\$300</p>	<p>Contract 2 certified preschool staff for "Ready! for Kindergarten" sessions—2 staff per session@ \$25/hr, 2 hrs per session, 3 sessions total</p>

Section IV -- Application Certifications and Signatures

You will type your name in the JotForm application box as an electronic signature, certifying that all the information provided on the electronic application is true and accurate to the best of your knowledge. After “signing,” click the Submit Button and a copy of the application will be emailed to you. If your grant request is approved in September, the library director, a board member, and the applicant (if different than library director) will be required to physically sign the hard copy of the grant agreement at that time.

If you have questions about the grant application or the application process, please contact Jamie Mott, Grants/Contracts Officer, at libgrants@libraries.idaho.gov or Staci Shaw, Youth Services Consultant, at staci.shaw@libraries.idaho.gov or by phone at 1-800-458-3271.
