American Falls District Library	<p>Updated April 17 - We miss you and we look forward to seeing your faces and serving you again soon.</p> <p>We are currently having issues with fines accruing during our closure and we want to assure you that we are aware and we have a tech team currently working on resolving that. Please know you will not have actual fines accruing during our closure. We are working at cancelling anything that appears. The book drops will be open prior to our public reopening and we'll keep you notified when that will occur as soon as we know. The actual due date of your items will be the day we reopen the book drops prior to public reopening. That gives us a chance to keep the library and the items sanitized properly. We are considering what plan works best for the safety of our staff and patrons.</p> <p>If you have questions or want to contact us, please do so via our email at staff@aflibrary.org. That is the most efficient way to correspond. You can also renew your items online at catalog.aflibrary.org.</p> <p>Thank you for your understanding and patience during this time. Challis Public Library	<p>April 21 - The Challis Public Library, with guidance from the National Library Association, and National Association for Rural and Small Libraries, and to be aligned with other community closures, will be temporarily closed until further notice. The library understands in order to best protect our regular patrons, library workers, and our community from exposure to COVID-19 this is the proper step to take. Libraries are, by design, unable to practice social distancing and disinfecting to the degree recommended by the Centers for Disease Control and Prevention and other health authorities. East Bonner County Library District	<p>With heavy hearts, we are closing the Sandpoint and Clark Fork Libraries and Bookmobile effective March 17, 2020 at 7:00 PM. We do not have an anticipated date of reopening at this time. Please stay tuned, updates will be posted here and on our social media sites.</p> <p>Why are libraries closing? This was not an easy decision for us, but we value the health of our communities and staff. Given the nature of our very publicly shared space and materials, we are taking the advice of the public health officials and the American Library Association to close until further notice.</p> <p>Will you be accepting returns? Updated! Starting April 20th, the book drops on the building will be open for returns on Mondays only. Drive-up returns will remain closed. Opening return bins on Mondays will allow you to return items you no longer need and will allow materials to be untouched for a few days before staff handles them. Don't worry, even if you don't return your materials on Mondays, there will still be no late fees!</p> <p>Can you offer curbside pick up? We considered this option but we do not believe it would be best practices as we are closed to help stop the spread of germs. With the nature of our items needing to be returned, unlike food services, we chose not to offer this service at this time.</p> <p>Can I still put items on hold? While we are not currently offering holds pick up, we will not be canceling any holds you have currently and any holds that have already arrived on the hold shelf will be waiting for you when we reopen.</p> <p>Since we are not processing new holds, we have disabled the online option for materials that are available on our shelves. You can still put holds on materials that are currently checked out to someone else. Once we reopen, our holds options will be returned to normal settings.</p> <p>What resources can I use online? There are so many on our Digital Library! Download audiobooks and ebooks using Overdrive, Libby and Hoopla. Read digital magazines using Flipster and RBDigital. For educational resources, use Scholastic Teachables, Learning Express Library and more! Using our Digital Library, you can even take this time to learn to fix your car or study for your driving test!</p> <p>And, if you don't have access to the internet at home, you can use our wifi from the closest parking areas to download materials!</p>	No	Closed Until Further Notice	https://www.facebook.com/ebonnerlibrary/	http://ebonnerlibrary.org

Ola District Library	<p>With many of us having a bit more time on our hands, this is the perfect time to catch up on some good reading! Unfortunately, because our own Ola Library is respecting the Coronavirus closure requests, we cannot grab a good read in town.</p> <p>That leaves us with picking through our own bookshelves and reading something we've already read (not necessarily a bad idea!) or purchasing a book online that we will likely read once and then donate. But wait!!! There's another option!</p> <p>THE DIGITAL PUBLIC LIBRARY OF AMERICA FREE DOWNLOADS!</p> <p>The Digital Public Library of America in an online platform that allows anyone to browse and directly download any of the more than 6,300 e-book titles available on their Open Bookshelf.</p> <p>Choose from the classics, children's literature, textbooks and non-English titles, ALL FOR FREE, with no login or library card needed!!!</p>		Website says Closed Until Further Notice	https://www.facebook.com/pages/Ola-District-Library-Central-Library/1148074625209592	http://olalibrary.org/
