Now, more than ever, parents are looking for ways to support their children at home.

READY! for Kindergarten is a series of completely **FREE** parenting workshops designed to teach parents about the skills children need to have developed before their 1st day kindergarten.

Parents virtually attend a series of 3, 1 hour workshops that will support their child's specific age level. Parents also receive **FREE** materials that support each skill covered and the workshops are in English and Spanish!

We will train your staff to implement this program with your patrons, and all trainings are provided virtually through **Zoom**.
