

**Please be prepared to answer these questions for the Round 1 Final Report:**

1. How many books were each grade level in your school (including PreK's, if applicable) allowed to check out from your library and take home in the Spring 2020 semester?
2. Describe challenges, push back, or feedback you've received as a result of checking out books for students to take home during the Spring 2020 semester.
3. We are always thrilled to learn about students' excitement for new books in the library! Please also describe the biggest success in your program in addition to student excitement.
4. How many books have you purchased with your grant funds?
5. What percentage of those titles were age-appropriate non-fiction?
6. How many books have you circulated to the youngest students at your school? Please compare the 2019-2020 to the 2020-2021 school years. This information is accessible through your ILS, or wherever you keep track of circulation.
7. You will attach a title list of the books you've purchased since your Interim Report. Please include only titles that were not included with your Interim Report. Our electronic form requires a PDF, please.
8. Additional Comments: Please provide any additional comments that would provide further explanation or would help us improve this program.
9. You will attach a financial report that has been produced by your school's or district's accounting software. It should clearly show the grant funds hitting the account, and each transaction for book purchases. This report should show a \$0 balance for your grant funds, indicating that you have spent every cent of your funds. Again, the electronic form requires a PDF.
10. Indicate the amount of your grant funds that have been spent. This should be the entire amount of your award.
11. Has more than 5% been spent on vendor processing or labeling fees? If so, how much?
12. In the spirit of ICfL's quest for continual improvement, please describe any challenges that occurred ordering book titles and using grant funds.

If you have questions or concerns about any of these questions, please contact [Jeannie.standal@libraries.idaho.gov](mailto:Jeannie.standal@libraries.idaho.gov).
