ICfL and LSTA Overview

The Idaho Commission for Libraries (ICfL) assists libraries to build their capacity to better serve their communities. The ICfL Continuing Education program works with library directors, staff, and trustees of Idaho’s publicly funded libraries to build their knowledge and skills for delivering up-to-date library services. ICfL utilizes Library Services and Technology Act (LSTA) grant funds through the Institute of Museum and Library Services (IMLS) to support improving library services to user through continuing education of library workers. Continuing Education grants are supported with LSTA grant funds. To date, ICfL has awarded $508,497 to 674 grantees in CE Grants since 1998.

LSTA Grant Requirements for CE Grants

Idaho libraries may apply for grants to support individual employee or group continuing education (CE) activities throughout the year. To be eligible to apply, the library and the proposed activity must meet the following requirements:

1) CE activities must be specific to library programs and/or services.

2) CE activities must address one or more of the LSTA Priorities. See the Idaho LSTA 5 Year Plan 2018-2022.

3) Applicant library must comply with IDAPA 30.01.01 - “LSTA Eligibility Requirements” – found on the CE Grants website at https://libraries.idaho.gov/continuing-education/ce-grants/.

4) Applicant library must agree to the terms of federal certifications regarding Civil Rights, Debarment, and Lobbying (included in each Grant Agreement) – see Appendix A.

5) CE activities must support an identified need that is consistent with one of ICfL’s four goals for library development as identified in ICfL’s Idaho LSTA 5 Year Plan 2018-2022:

- Build the institutional capacity of libraries to better serve their communities.
- Support the role of libraries in preparing Idahoans to be college and career ready.
- Ensure equitable access to information and library services for Idahoans with disabilities, those in rural communities, English-language learners, people living in poverty and other underserved communities.
- Support the role of libraries in economic and employment development.

6) Applicant library must be in good standing with ICfL programs, meeting their participation, funding, and reporting requirements as agreed upon with ICfL Project Coordinators and Consultants.

7) Applicants should acknowledge the grant funding source, the Institute of Museum and Library Services, in grant reports, news releases, newsletters, and other publicity sources.
## CE Grant Application Process

To apply for CE Grant funds, follow these steps:

| Step 1 | Grant Requirements | Read this CE Grant Guide with attention to:  
| • Requirements for all CE grants,  
| • Purpose and requirements specific to the grant category for the project being considered, and  
| • Steps required for application, reimbursement, evaluation, and follow up activities.  
| Grant applications should be based on an existing need that will benefit the library’s users. |

| Step 2 | Preapplication Consult | Individuals considering application for CE grant funds are required to contact the ICFL CE Consultant for:  
| • Review of basic grant requirements,  
| • Support in drafting an effective application narrative, and  
| • Invitation to apply.  
| Note that CE Consultant’s invitation to apply does not guarantee a grant award. |

| Step 3 | Eligibility Checklist | A completed Eligibility Checklist is required of all applicants. It is recommended that individuals considering application work with a library director or supervisor to complete the checklist prior to drafting an application. Find the Eligibility Checklist at [https://libraries.idaho.gov/continuing-education/ce-grants/](https://libraries.idaho.gov/continuing-education/ce-grants/). |

| Step 4 | Application Draft | Applications are submitted using an online form that must be completed in one sitting. It is recommended that applicants prepare draft answers to application questions prior to submitting the form.  
| PDF samples of the online applications can be found at [https://libraries.idaho.gov/continuing-education/ce-grants/](https://libraries.idaho.gov/continuing-education/ce-grants/). |

| Step 5 | Apply | Each grant category has a unique application form. Using the correct form is necessary for consideration of an application.  
| Forms for applications and supporting documentation can be found on the website for each grant category, which are found at |
Application Review and Notification

Each submitted application is reviewed by ICfL staff. Staff review:

- Grant requirements,
- Budget estimate and match (if applicable),
- Application narrative responses, and
- Purpose of proposed use of funds.

Grant Awards

Grants recommended for funding are routed internally for signatures and final approval by the Idaho State Librarian. The complete award packet is sent to the applicant for counter-signature and instructions for reimbursement and evaluation. The award process may take up to two weeks depending on staff availability.

Grant Evaluation and Reimbursement

Upon conclusion of the CE Event for which funding was awarded, the applicant library and participant must submit the reimbursement request. Forms can be found online at https://libraries.idaho.gov/continuing-education/ce-grants/ by following the links for the Grant Category awarded.

Reimbursement

The applicant library must submit the reimbursement request by the date indicated on Page 2 of the Grant Agreement, which is approximately 30 days after completion of the event. Reimbursement includes:

- CE Grant Evaluation and Request for Reimbursement online form which includes long-form, narrative evaluation questions,
- LSTA Financial Report Form with the Actual Expenses identifies, and
- Copies of receipts of actual expenses (examples: event registration, lodging, airfare, mileage, tuition, course materials or training materials).

Processing grant reimbursements takes approximately 15 business days. Reimbursement requests must be submitted using the online form by the deadline indicated on Page 2 of the Grant Agreement.

Six-Month Follow-Up

The six-month follow-up provides information to ICfL which is necessary for reporting to grant-funding agencies. The report includes information on the transfer of knowledge and skills in the workplace resulting from the continuing education event. Participants are asked to share
examples of how they have improved library services for users and shared information with coworkers since acquiring new knowledge and skills. ICfL staff will prompt participants by email to request the Six-Month Follow-Up Grant Report approximately six months after the conclusion of the CE event.

CE Grant FAQs

Frequent questions and their answers regarding CE Grants from ICfL:

**Who is the grantee?** Libraries will be the Applicants and become the Grantee of the CE grant. The individual staff member attending the conference, course or training will be the Participant/s. All grant agreements are made between the library (Grantee) and ICfL, not with the individual (or Participant).

**Who receives the grant funds?** As the library is the official grantee, the funds are reimbursed to the library after completion of the activity. If the participant has personally paid for some grant-related expenses, he/she will need to request reimbursement from the library for those expenses.

**What if the participant is no longer an employee of the library?** Library employees (and their employing library) who leave the library profession and/or the state of Idaho before the completion of their grant obligations forfeit all rights to funds awarded through these grants. If the individual (or grant participant) leaves the employment of one Idaho library to become an employee of another Idaho library, the grant funds can still be reimbursed to the original library if the individual completes the CE Grant Evaluation and Request for Reimbursement Form.

**Does the online grant application require a specific software or software download?** No. To use the online grant application created in JotForm does not require you to have or to download JotForm as it is a web-based program. If you do have technical difficulties with the form or attaching documents to the form, please work with your local IT person or supervisor as they will understand your IT situation better than ICfL. If you are still having issues, please contact ICfL and we will work with you to make it possible for you to apply for a CE Grant.

**How do I calculate match?**
If a 25% match is required for the grant, estimate the total cost of the project. Total project cost includes all costs associated with completing the continuing education event. Meal costs, even when not eligible for grant award, may be used as local match.

Multiply the total costs by .25 to determine the local match amount.

- **Local Match Example #1:** Total Project Cost: $6,667
  Grant Request Amount: $5,000
  Local Match Amount: $1,667 (25% of $6,667)

- **Local Match Example #2:** Total Project Cost: $1,200
  Grant Request Amount: $900
  Local Match Amount: $300 (25% of $1,200)
What if my plans change and I can’t attend the library conference or complete the library course? If the participant can no longer attend the conference or take or complete a library course, the participant must alert the Grants Officer at ICfL in writing immediately, with an explanation for the change. The Grants Officer will add this written notification to their grant file and de-obligate the funds to the grantee. This allows the funds to become available for additional grants to other Idaho library staff.

Can grant funds be transferred to another library employee? The grant funds CANNOT be transferred to another library employee. The funds are awarded based on the specific responses to the application by the individual as well as the specific CE event and how it fills the need of a specific library or department.

This document last reviewed May 2019.

This project is made possible by a grant from the U.S. Institute of Museum and Library Services.
APPENDIX A – Federal Certifications

In order to receive federal grant funds, the applicant library must agree to the terms of pertinent federal certifications. The certifications described below are referenced within the narrative of each grant agreement (see Section 4.L.). The “subgrantee” referenced in these federal certifications is the applicant library which is awarded the CE grant by ICfL. By signing the grant agreement, the applicant library is agreeing to the terms of the certifications. The complete certifications can be viewed by clicking on the hyperlinked title of each certification:

• **Certification Regarding Lobbying for Grants and Cooperative Agreements** – Once signed, this certifies that the subgrantee has not used federal funds to pay to influence an officer or employee of any agency in the connection with the awarding of a federal contract or grant.

• **Civil Rights Certification** – Once signed, this certifies that the subgrantee will comply with all civil rights laws including equal employment opportunity laws.

• **Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion** – Once signed, this certifies that the subgrantee, or anyone with whom the subgrantee may contract in respect to the grant, is not named on a government list as being debarred or suspended from receiving federal funds.
