Program Details

"Believe & Achieve" - Celebrate the importance of family reading with an Idaho Family Reading Week event in your library or community. The official week is November 8 - 14 but events can take place anytime in November. This year, FRW events may be in-person, virtual, curbside, or a combination of any of the above. Publicly-funded school and public libraries in Idaho can register to receive materials to help support a Family Reading Week event. The first 100 libraries to register will receive newly published hardcovers for the theme, pre-printed student "Believe and Achieve" journals, and paperback giveaway books related to the theme

(limits apply - see below). Public-school library partnerships and collaboration are encouraged to avoid duplication of events and resources in your community.

All Idaho libraries, whether they register for one of the 100 program spaces or not, may utilize the following resources from the FRW website:

- The Idaho Family Reading Week themed artwork: downloadable posters/flyers, Facebook/website banners, letterhead, proclamation and press release templates;
- Student "Believe and Achieve" journals - that you print your self - art/content downloadable from website,
- Themed story time outline,
- Educator book guides,
- Author talk info for Pura's Cuentos (Idaho author)
- Recommended themed reading lists and parent handouts that support early literacy skills.

All resources can be found at: <https://libraries.idaho.gov/rtm/idaho-family-reading-week/>

I am aware of the themed content designed by ICfL staff specifically for Idaho Family Reading Week 2021 and that these materials are available for free download from ICfL's website at: <https://libraries.idaho.gov/rtm/idaho-family-reading-week/>

- Yes, I am excited to utilize these resources for our FRW event! (and possibly other events)
- No, but I'll be sure to check them out soon!

- include literacy-related activities and parent resources in your event - remember the focus of Family Reading Week is literacy skills and getting kids & families excited about reading and using the library!
