WHAT IS A ZINE?

A zine is a multi-page self-publication made for passion, not profit. Pronounced like "zeen".

ANY ONE CAN MAKE A ZINE ON ANY SUBJECT.

HOW TO MAKE A MINI-ZINE

1. Gather your materials: paper, pens, scissors, etc.
2. Create your pages: write, draw, paste pictures.
3. Fold your paper into 8 equal parts.
4. Hot dog fold: fold one end of the zine into the center, then fold the other end into the center.
5. Window fold: fold a piece of paper in half, then fold it in half again to form a rectangular shape.
6. Hamburger fold: fold a piece of paper in half, then fold the other end into the center.

PERMISSION

Anyone else's without reading it, they own this zine, even if it's yours. Putting your name on your zine as the creator is a courtesy not a requirement of the law. (Harmonisa)

TIPS

- Have a margin (1/8 inch)
- Take care of your pages' edges by putting them in the printer
- Make your zine's spine by folding the pages together
- Have a small plastic sleeve to store the zine
